MASTER SERVICES AGREEMENT

This Master Services Agreement (the "Agreement") is made on April 15, 2026 between Northwind Retail Group plc ("Customer") and Cobalt Cloud Services Ltd ("Provider").

1. Services. Provider shall provide the cloud infrastructure management, monitoring and support services described in one or more Statements of Work executed by the parties (each a "SOW"). Each SOW forms part of this Agreement. In the event of conflict, this Agreement prevails unless the SOW expressly states otherwise.

2. Service Levels. Provider shall use commercially reasonable efforts to meet the service levels set out in the applicable SOW.

3. Fees and Payment. Customer shall pay the fees set out in each SOW. Fees are charged on a fixed monthly basis. All undisputed invoices are payable within thirty (30) days of the invoice date (net 30), in US dollars, by bank transfer.

4. Invoicing. Provider shall invoice Customer monthly in advance on the first business day of each calendar month.

5. Late Payment. Any amount not paid when due shall accrue interest at the rate of 1.5% per month, or the maximum rate permitted by law if lower. If any amount remains unpaid for more than fifteen (15) days after written notice, Provider may suspend the Services until payment is received.

6. Limitation of Liability. Except for breaches of confidentiality and each party's indemnification obligations, each party's total aggregate liability arising out of or relating to this Agreement shall not exceed the total fees paid by Customer in the twelve (12) months preceding the event giving rise to the claim. Neither party shall be liable for any indirect, incidental, consequential or punitive damages, or for loss of profits.

7. Confidentiality. Each party shall keep the other party's confidential information confidential and use it only to perform this Agreement.

8. Indemnification. Provider shall defend, indemnify and hold harmless Customer from and against any third-party claim alleging that the Services infringe any intellectual property right, provided that Customer promptly notifies Provider of the claim, gives Provider sole control of the defence, and provides reasonable cooperation.

9. Intellectual Property. Customer shall own all deliverables created specifically for Customer under a SOW upon full payment. Provider retains all rights in its pre-existing tools, software and know-how, and grants Customer a non-exclusive, perpetual licence to use any such pre-existing materials incorporated in the deliverables.

10. Term and Termination. This Agreement starts on the date above and continues until terminated. Either party may terminate this Agreement for convenience on ninety (90) days' written notice. Either party may terminate immediately on written notice if the other party commits a material breach that is not remedied within thirty (30) days of notice. On termination, Customer shall pay all fees for Services performed up to the termination date.

11. Notices. All notices under this Agreement must be in writing and delivered by hand, by courier or by email to the addresses set out in the SOW. Notice of non-renewal of any SOW must be given at least sixty (60) days before its renewal date.

12. Governing Law. This Agreement is governed by the laws of England and Wales.

13. Dispute Resolution. The parties shall first attempt to resolve any dispute through good-faith negotiation between senior executives for thirty (30) days. Any dispute not so resolved shall be finally resolved by arbitration under the LCIA Rules, seated in London, before a single arbitrator.

14. General. This Agreement, together with all SOWs, is the entire agreement between the parties.
